RE: Request for Information Concerning Properties Located in Baltimore, Maryland

Dear Mr. Van Holt:

We are currently contracted to perform a Phase I Environmental Site Assessment (ESA), which includes review of available records regarding pollution/contamination incidents that may have occurred on or in the vicinity of the properties listed in **Table 1** (see attached table) in Baltimore City, Maryland.

Under the Freedom of Information Act, I would like to request regulatory records published for these properties in order to search for information you may have regarding air, land, or water pollution incidents, including:

- Chemical or Petroleum releases
- Underground Storage Tanks (USTs)
- Aboveground Storage Tanks (ASTs)
- RCRA Generators
- Asbestos or lead paint information
- CERCLA or Superfund haz-waste sites
- Hazardous or Toxic materials/waste spills
- Clean Air Act, RCRA, TSCA, or SARA violations

Thank you very much for your time and consideration. I would appreciate your permission to review this information as soon as possible. If the costs related to this file review will exceed \$25, please contact me. If you have any other questions, please do not hesitate to contact me at our offices at (410)-893-9016 at any time, or you can email me at kdimartino@cemscience.com.

Best Regards,
